**LIFE OF THE PARTY**

If you and your pals like to have a good time, throw a great bash and pour a nice drink, we've got all the toys necessary to keep the party going. You'll be the center of the room if you show up with party favors like these.

**BREATHE EASY**

When you think you can drive home, but your friends say you can't, we have one good way to settle the score. Take a nice long breath into the pocket-sized Alcohawk and get the real results. This portable, personal breathalyzer enjoys a good party, but puts safety first. So should you. **\$130**
