Know Your Limits

AlcoHawk Elite » Cold temperatures can skew a breathalyzer's reading lower; hot vice-versa. This tester uses a thermometer to gauge whether results will be funky and, if so, informs the user on the LCD. \$100 » q3ats.com

Picture Perfecter

Datacolor SpyderTV » Seven silicon sensors

GOODS | WHAT'S NEW

Technicolor Co-pilot
Navman Pilot 3380 » Forget grayscale screens; this nautical autopilot has a 3.8-inch color screen that turns red, for example, if your boat is being blown off-course. \$1,900 » navman.com

Buzz Kill
Bosch Large Angle Grinder
» The first industrial grinder with vibration dampening has solid rubber rings in front of the gripping surfaces that cut the shakes by 60 percent. 4.5hp. \$190 » bosch.com

Know Your Limits

AlcoHawk Elite » Cold temperatures can skew a breathalyzer's reading lower; hot vice-versa. This tester uses a thermometer to gauge whether results will be funky and, if so, informs the user on the LCD. \$100 » q3ats.com

Picture Perfecter

Datacolor SpyderTV » Seven silicon sensors tuned to different sections of the light spectrum determine how to adjust your set for the best picture. Suction it to a TV screen and follow the prompts on your computer. \$250 » datacolor.com

Don't Just Sit There
D-BOX Quest » Two electromagnetic motors in back and a pivot up front allow this lounge to pitch and roll quick enough to generate two Gs. It syncs movement with over 400 movies. Plug it into your network to download more. \$5,800 » d-box.com

Up against the Wall

Zircon ProScanner OneStep » It automatically boosts scan intensity if it detects that the studs are buried deep. \$60 » zircon.com

Protected Prints

Epson Stylus Photo R1800 Printer » Pigment-based inks for a shelf life of up to 200 years and a gloss cartridge for a waterproof finish—all on 13-by-19-inch papers. \$550 » epson.com

A Picture Worth 260 Songs
Samsung YP-17 » The world's smallest combination picture viewer and MP3 player has a 1.1-inch 65,000-color LCD. Shown at actual size. \$200 for a gig » samsung.com

Shoo File
Mensen Click n' Share » Using ultra-wideband, this 128-meg flash drive wirelessly sends files to its siblings at up to 55 mbps. USB 2.0. \$100 for two » mensen.com

Backcountry Balance

Segway XT » Segway outfitted its gyro-scooter with a powerful lithium-phosphate battery that delivers a 10-mile range over rough terrain and decreased the wheel diameter to 10 inches to accommodate knobby, shock-absorbing tires. \$5,000 » segway.com
